

Fees and Payments (For Irish Students)

Discounts Available:

Students have the option to pay part or all of their programme in full at any stage of their studies.

Typically, the partial payment options include paying for 1 module upfront or 3 modules upfront.

These options result in significant tuition fee discounts. Similarly, for students who choose to pay for the entirety of their programme upfront, there are considerable savings offered.

Have You Claimed Tax Relief for Tuition Fees?

If you are paying for a part time course which continues for over a period of a year, you may be able to claim tax relief on tuition fees paid. Revenue approved Setanta courses include:

- Higher Certificate in Strength and Conditioning
- Bachelor of Arts in Strength and Conditioning
- Bachelor of Science in Strength and Conditioning.

Tax relief is available after the first €1,500 spent on tuition fees on a part time course at the standard rate of 20%. You can claim tax relief as long as you have actually paid the fees, either on your own behalf or on behalf of another person. The maximum limit on qualifying tuition fees is €7,000 per individual, per course, per academic year.

The more modules you prepay in any tax year, the more tax efficient it becomes.

E.g. Higher Cert in S&C - (12 module course over 3 years)

- Student pays €2,400 (€600 per module x 4 modules p.a.)
 - *Tax relief on €900 (€2,400 - €1,500) @20% = €180*
- Student pays €3,000 (discount rate for prepayment of 6 modules) for 6 modules in one tax year.
 - *Tax relief on €1500 (€3,000 - €1,500) @ 20% = €300.*
- Student pays €6,000 (discount rate for prepayment of 12 modules) for full course in one tax year.
 - *Tax relief on €4,500 (€6,000 – €1,500) @ 20% = €900*
