SETANTA College
The Online Sports College

How to use the Setanta College Online Library

1. Log into Moodle

College Student Information Centre

Student Resources
Please Read the following Document regarding the list of essential reading books for you throughout your studies. It is best to order your books early so you are not waiting for your book when it comes to completing your logbook tasks.

2. Access the college student information centre

Online Student Library

Setanta College
Online Library CLICK HERE

3. Click Setanta College Online Library Link

Setanta College Online Library Link

ONLINE LIBRARY USER GUIDE VIDEOS

4. You will then be brought to the online library where you can search key words relating to your topic of study/assignment
